Dear Sir:

In response to the Official Action dated July 1, 2003, Applicants request reconsideration of the patentability of claims 21-23 and 25-30 in view of the following remarks and the Terminal Disclaimer submitted herewith.

REMARKS

The Official Action dated July 1, 2003 has been carefully considered. Accordingly, it is believed that the following remarks and the Terminal Disclaimer submitted herewith are sufficient to place the present application in condition for allowance. Reconsideration is respectfully requested.

Claims 21-23 and 25-30 were rejected under the judicially created doctrine of obviousness-type double patenting as being unpatentable over claims 1-34 of U.S. Patent No. 6,375,685 and claims 1-20 of U.S. Patent No. 5,885,303. These rejections are traversed. However, to expedite prosecution, a Terminal Disclaimer is submitted herewith. This
